Lermontova, I., and Grimm B. Overexpression of Plastidic Protoporphyrinogen IX Oxidase Leads to Resistance to the Diphenyl-Ether Herbicide Acifluorfen.

The legend for Figure 5 is incorrect. The correct legend is printed below.

Figure 5. Comparison of the phenotype of transgenic PPOX 1 over-expressing line S7 (left) and wild-type plant (right) 3 d after acifluorfen treatment. Each plant was sprayed with 20 mL of a 10 μ M acifluorfen solution.
