Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-017-03589-w>, published online 12 June 2017

The original version of this Article contained a typographical error in the Abstract.

“The formula of the mFIB-4 index is  $10 \times \text{Age}(\text{years}) \times \text{AST}(\text{U/L})/\text{Platelet count}(10^9/\text{L}) \times \text{AST}(\text{U/L})$ .”

now reads:

“The formula of the mFIB-4 index is  $10 \times \text{Age}(\text{years}) \times \text{AST}(\text{U/L})/\text{Platelet count}(10^9/\text{L}) \times \text{ALT}(\text{U/L})$ .”

This has now been corrected in the PDF and HTML versions of the Article.
