In “Higher Prevalence and Faster Progression of Chronic Kidney Disease in Human Immunodeficiency Virus–Infected Middle-Aged Individuals Compared With Human Immunodeficiency Virus–Uninfected Controls” by Kooij et al. [J Infect Dis **2017**; 216(6):622–31], there is an error in

the abstract. The number of HIV-infected vs HIV-uninfected patients included in the longitudinal analysis as mentioned in the abstract text are switched. The text in the body of the article is correct.
