## Corrigendum

doi:10.1093/gbe/evy090

### Positively Selected Effector Genes and Their Contribution to Virulence in the Smut Fungus *Sporisorium reilianum*

Gabriel Schweizer, Karin Münch, Gertrud Mannhaupt, Jan Schirawski, Regine Kahmann, and Julien Y Dutheil

*Genome Biol. Evol.* 10: 629–645, 2018, doi:10.1093/gbe/evy023

After the initial publication of this article, the authors have added the following statement: “We greatly acknowledge the joint efforts of Ulrich Güldener and Martin Münsterkötter in the genome assembly, analysis, tests, correction and final database submission of the *S. reilianum* f. sp. *reilianum* genome which will be published elsewhere.”
