

Corrigendum for Ha et al. Progressive increases in dietary iron are associated with the emergence of pathologic disturbances of copper homeostasis in growing rats. *J Nutr* 148;3: 373–8.

The support footnote in the article was incorrect. It should have read as follows: “Supported by grants R01 DK074867 from the National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK) and R01 DK 109717 from NIDDK and the Office of Dietary Supplements (to JFC).”

doi: <https://doi.org/10.1093/jn/nxy106>.

Erratum for Wang et al. Diet quality is linked to insulin resistance among adults in China. *J Nutr* 2017;147:2102–8.

Because of a publisher error, the affiliations indicated for Zhihong Wang are incorrect. The correct affiliations are ¹Department of Nutrition, Carolina Population Center, University of North Carolina at Chapel Hill, Chapel Hill, NC and ³National Institute for Nutrition and Health, Chinese Center for Disease Control and Prevention, Beijing, China.
