The September 10, 2008, article by Winther et al entitled, “Spontaneous Abortion in a Danish Population-Based Cohort of Childhood Cancer Survivors” (J Clin Oncol 26:4340-4346, 2008) contained an error. The legend for Figure 1 did not include labels for figure parts A-C, and should have been:

Fig 1. Proportion of pregnancies resulting in a (A) livebirth, (B) spontaneous or (C) induced abortion (on a logarithmic scale) by age of mother at pregnancy in the combined group of sisters and population comparison women. Solid lines are splines as applied in the age adjustment of risk estimates.

The online version has been corrected in departure from the print.
