

Correction for Agudo-Ibáñez et al., “H-Ras Distribution and Signaling in Plasma Membrane Microdomains Are Regulated by Acylation and Deacylation Events”

Lorena Agudo-Ibáñez,^a Ana Herrero,^a Mariano Barbacid,^b Piero Crespo^a

Instituto de Biomedicina y Biotecnología de Cantabria (IBBTEC), Consejo Superior de Investigaciones Científicas (CSIC), Universidad de Cantabria, Departamento de Biología Molecular, Facultad de Medicina, Santander, Cantabria, Spain^a; Molecular Oncology Program, Centro Nacional de Investigaciones Oncológicas (CNIO), Madrid, Spain^b

Volume 35, no. 11, p. 1898–1914, 2015, <https://doi.org/10.1128/MCB.01398-14>. Page 1903, Fig. 3A: The bottom left image mistakenly duplicated an image from panel B. The corrected image should appear as shown below. This correction does not alter the conclusions of the study whatsoever. We apologize for not detecting the duplication during the revision process.
