### Erratum to: Nano-Micro Lett. DOI 10.1007/s40820-015-0068-y

In the original publication of this paper, Sect. 2.1 the line starting with "... in which the A cell solution is 5–15 mM ZnSO<sub>4</sub> and B cell solutions is 0.25 M NaOH" is published incorrectly. The corrected line should read as "...in the A cell solution is 0.25 M NaOH and B cell solutions is 5–15 mM ZnSO<sub>4</sub>".

In Fig. 1, the left solution should be NaOH and the right solution is ZnSO<sub>4</sub>. The corrected figure is provided in this erratum.
