

CORRIGENDUM

Corrigendum to: "Lifetime Smoking History and Risk of Lung Cancer: Results From the Framingham Heart Study" by Hilary A Tindle et al. JNCI. J Natl Cancer Inst: 10.1093/jnci/djy041

The last line of the caption for Figure 1 incorrectly read, "This analysis is limited to never smokers and former smokers with at least 21.3 cumulative pack-years." Instead, it should read, "This analysis is limited to current smokers and former smokers with at least 21.3 cumulative pack-years." This error has been changed online.

The authors regret the error.
