Received: 15 April 2016; Accepted: 21 April 2016; Published: 23 April 2016

The authors wish to make the following correction to their paper [1]. In Figure 3, the measurement units are wrong, and should be billion Litre—bl L, not million Litre—mln L. The correct version of Figure 1 is as follows:

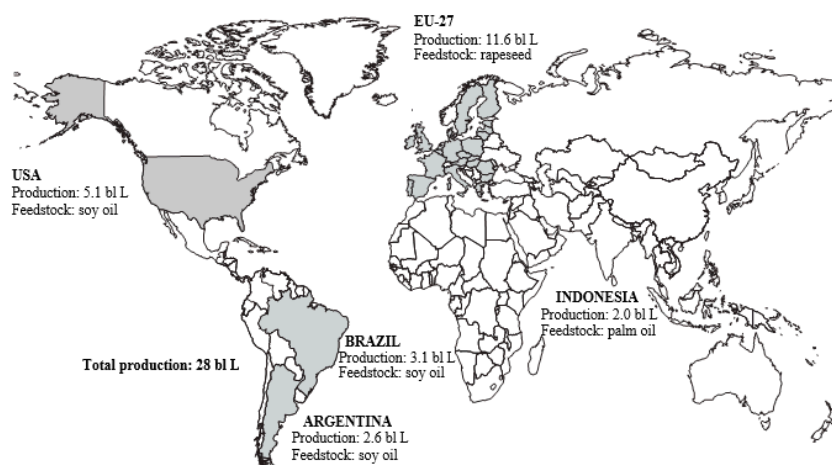

Figure 1. Word biodiesel production, average 2012–2014 [5].

The authors would like to apologize for any inconvenience caused to the readers by this change.
