Sykes, and Neil Johnson\***

---

Due to an error in the production process, Table 1 contained two errors. In the second row of the table, *Brca1*<sup>+/+</sup> was incorrectly labeled as *Brca1*<sup>C/C</sup>, and *Brca1*<sup>+/-</sup> was incorrectly labeled as *Brca1*<sup>+/+</sup>. These errors have been corrected, and the revised version of Table 1 now appears with the paper online.

The production team apologizes for this error.
