Weinstein\*, David J. Kwiatkowski\*, and Seth P. Lerner\*

---

It has come to our attention that we inadvertently used the wrong synonymous name for *PD-L1* in the Discussion section on page 551. Instead of *CD270*, which is a synonymous name for the HVEM receptor, we should have used *CD274* in that sentence. This error has been corrected online. We apologize for any confusion this may have caused.
