

CORRECTION

## Correction: Retraction: Heat Shock Protein 70 Expression Is Spatially Distributed in Human Placenta and Selectively Upregulated during Labor and Preeclampsia

The PLOS ONE Editors

After this retraction notice [1] was posted, Akrem Abdulsid notified *PLOS ONE* that she had changed her position on the editorial decision in this case. The final paragraph of the retraction notice is hereby updated to the following: AA did not agree with the retraction. KH and FL did not respond.
