

In the article by Maurya et Mishra, entitled “Pax6 Binds to Promoter Sequence Elements Associated with Immunological Surveillance and Energy Homeostasis in Brain of Aging Mice” [Ann Neurosci 2017;24:20–25, DOI: 10.1159/000464419], the wrong primer sequence of Sparc was added in Table 1 of the article. SparcF-5'ATGAGGGCCTGGATCTTCTTT3' should read SparcR-5'GGAAGAGTCGAAGGTC TTGTTGTC3' and the Accession number should read KT314218 in the Result section.
