

Vav mediates Ras stimulation by direct activation of the GDP/GTP exchange factor Ras GRP1

María J Caloca, José L Zugaza, David Matallanas, Piero Crespo & Xosé R Bustelo 

Correction to: *The EMBO Journal* (2003) 22: 3326–3336. DOI 10.1093/emboj/cdg316 | Published online 1 July 2003

The authors discovered an error in Figure 6C (samples labeled 19–24), where the bottom right panel was duplicated. The authors were able to locate the original films (see source data for Fig 6C) used to generate this figure. The revised panel does not change the conclusions of the experiment.

All authors agree with this corrigendum and apologize for any inconvenience caused.

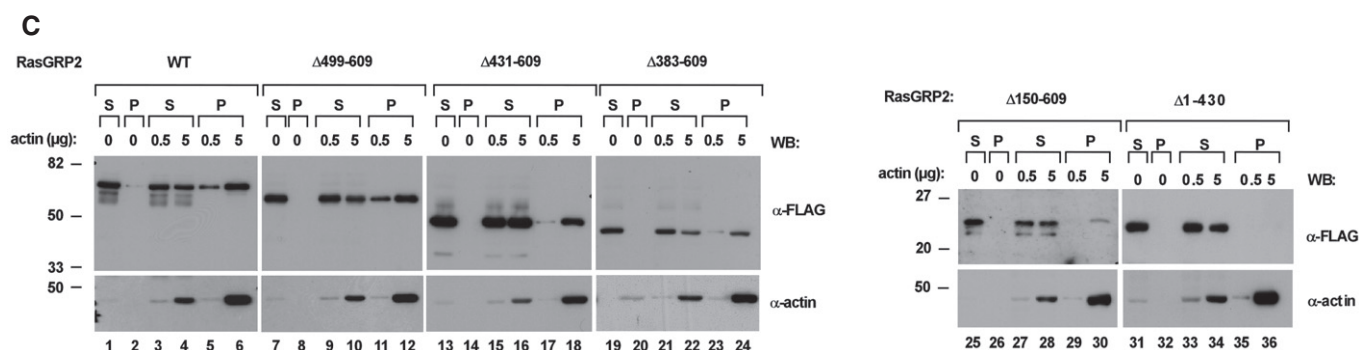

Figure 6C. Revised figure.

Source data are available online for this figure.
