

CORRECTION

Correction: KAT8 selectively inhibits antiviral immunity by acetylating IRF3

Wanwan Huai, Xingguang Liu, Chunmei Wang, Yunkai Zhang, Xi Chen, Xiang Chen, Sheng Xu, Tim Thomas, Nan Li, and Xuetao Cao

Vol. 216, No. 4, April 1, 2019. 10.1084/jem.20181773.

The authors regret that in the original version of this paper, the peptide sequence in Fig. 6 B appeared incorrectly as “LVMVKVVP.” Panel B appears below with the corrected peptide sequence, “LVMVKVVP^{ace}CLK.” All versions of this article have been corrected.
