

Corrigendum for de Oliveira Otto et al. Serial measures of circulating biomarkers of dairy fat and total and cause-specific mortality in older adults: the Cardiovascular Health Study. *Am J Clin Nutr* 2018;108:476–84.

Affiliations for co-authors David S Siscovick and Dariush Mozaffarian were switched in the original manuscript. David Siscovick's correct affiliation is the New York Academy of Medicine, New York, NY. Dariush Mozaffarian's correct affiliation is the Friedman School of Nutrition Science and Policy, Tufts University, Boston, MA. These affiliations have been corrected. The conflict of interest statement for Dariush Mozaffarian was also incomplete but has been corrected. In addition to the potential conflicts of interest originally listed, Dariush Mozaffarian also reports patents US8889739 and US9987243 to Tufts University (unlicensed), listing Dariush Mozaffarian as a co-inventor, for use of *trans*-palmitoleic acid to prevent and treat insulin resistance, type 2 diabetes, and related conditions, as well as reduce metabolic risk factors.
