Author Correction: Discovery of novel hit compounds with broad activity against visceral and cutaneous *Leishmania* species by comparative phenotypic screening

S. Lamotte¹, N. Aulner², G. F. Späth¹  & E. Prina¹Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-018-36944-6>, published online 24 January 2019

A supplementary file containing Table S1 was omitted from the original version of this Article. This has been corrected in the HTML version of the Article; the PDF version was correct at time of publication.
