Cell-Intrinsic Glycogen Metabolism Supports Early Glycolytic Reprogramming Required for Dendritic Cell Immune Responses

Phyu M. Thwe, Leonard R. Pelgrom, Rachel Cooper, Saritha Beauchamp, Julie A. Reisz, Angelo D'Alessandro, Bart Everts, Eyal Amiel*

As a result of an author oversight in the originally published version of this article, the middle initial of author Leonard R. Pelgrom was forgotten in the author information. This error has now been corrected in the article online. The authors apologize for the error and any inconvenience that may have resulted.
