

## ERRATUM

doi: 10.14814/phy2.13795

In Purnell et al. (2018), the following errors were published in the article.

The Figure 4 supplied in the final version is incorrect and should instead be the following:

We apologize for the errors.

**Figure 4.** LBA changes (RBC Metric scores) noted from the Initial LBA taken prior to the first BFA Session in the study participants and the Final visit LBA which was taken 7-10 days after the end of the 2 week study (After 6 BFA Immersion Therapy Session visits). The participants did not have a BFA session prior to the Final visit LBA.
