
Corrigendum

In the article by K. Hazime and J. J. Malicki (*GENETICS* **207**: 1041–1051) entitled “Apico-basal Polarity Determinants Encoded by *crumbs* Genes Affect Ciliary Shaft Protein Composition, IFT Movement Dynamics, and Cilia Length,” J. J. Malicki was previously listed as the corresponding author. Due to Dr. Malicki’s untimely passing, the corresponding authorship for this article has been changed to K. Hazime.
