Correction: Distinct roles of FANCO/RAD51C protein in DNA damage signaling and repair: Implications for Fanconi anemia and breast cancer susceptibility.

Kumar Somyajit, Shreelakshmi Subramanya, and Ganesh Nagaraju

The comet sub-panels in Fig. S4 were erroneously copied during figure assembly. This error has now been corrected using the original files. These changes do not affect the results or conclusions of this work. The authors sincerely apologize for the error.
