

Erratum

doi:10.1093/ehjci/jex041
Online publish-ahead-of-print 10 April 2017

Erratum to: Improved 5-year prediction of all-cause mortality by coronary CT angiography applying the CONFIRM score [*Eur Heart J Cardiovasc Imaging* 2017;**18**:286–93]

The publisher wishes to inform readers that figure 2 in the above paper was incorrect as published as the curves shown in the figure did not correspond to the c-indices of the legend.

Figure 2 has now been corrected online, references to the Framingham risk score have also been amended to 0.661 instead of 0.610.
