The authors would like to change the wording in their 'Results and discussion' section to remove the names of 'ParCrys' and 'XANNpred', which were identified as not having active web-servers. The webservers for ParCrys and XANNpred are active and can be found at <http://www.compbio.dundee.ac.uk/xtal> and <http://www.compbio.dundee.ac.uk/xannpred> respectively. The authors apologize to the owners for the error which has been corrected.
