Erratum to: Clin Child Fam Psychol Rev
DOI 10.1007/s10567-017-0232-7

In the original publication, there was an error in reporting the significance of the main effect described, noticed in the second paragraph of “Effects of Interventions” section. The p value should be “ $p = .043$ ”; instead it was incorrectly submitted and published as $p = .43$.

The original version has been corrected.
