Correction to: Journal of Materials Science: Materials in Medicine 2016;27:148

https://doi.org/10.1007/s10856-016-5763-9, published online 31 August 2016

The article "Evaluation of cell binding to collagen and gelatin: a study of the effect of 2D and 3D architecture and surface chemistry", written by Natalia Davidenko, Carlos F. Schuster, Daniel V. Bax, Richard W. Farndale, Samir Hamaia, Serena M. Best and Ruth E. Cameron, was originally published Online First without open access. After publication in volume 27, issue 10, page 148 it was noticed that the copyright was wrong in the PDF version of the

article. The copyright of the article should read as "© The Author(s) 2016". The Open Access license terms were also missing.

**Open Access** This article is distributed under the terms of the Creative Commons Attribution 4.0 International License (http://creativecommons.org/licenses/by/4.0/), which permits unrestricted use, distribution, and reproduction in any medium, provided you give appropriate credit to the original author(s) and the source, provide a link to the Creative Commons license, and indicate if changes were made. The original article was corrected.

The original article can be found online at https://doi.org/10.1007/s10856-016-5763-9.
