Erratum to: Diabetologia

<https://doi.org/10.1007/s00125-017-4384-2>

An editorial change altered the meaning of a sentence in this review, implying that TrialNet only started conducting clinical trials in 2016. The sentence should have read: ‘At the time of writing (2016), TrialNet is conducting clinical trials with researchers from 18 clinical centres in the USA, Canada, Finland, UK, Italy, Germany, Sweden, Australia and New Zealand’.

The online version of the original article can be found at <https://doi.org/10.1007/s00125-017-4384-2>
