

Erratum

10.1111/nep.13186

The authors would like to draw the readers' attention to a mistake in the following article:

Hoy, W. E., Mott, S. A., and McDonald, S. P. (2016) An expanded nationwide view of chronic kidney disease in Aboriginal Australians. *Nephrology*, 21: 916–922. doi: 10.1111/nep.12798.

The X-axis and Y-axis of Figure 1D were incorrectly represented during first online publication. The correct representation for the Figure 1D is shown below:

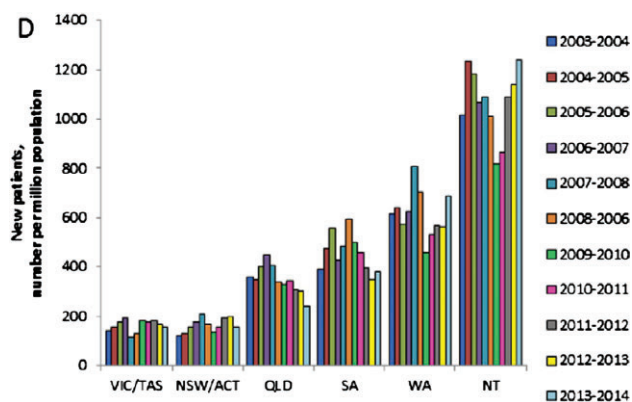

Fig. 1 (A) Average annual incidence of renal replacement therapy among Australian adults by Indigenous status, sex and remoteness category, 2005–2008. Source: 11. Note: Rates are directly age-standardized to the 2001 Australian population. (B) Incident renal replacement therapy among Indigenous Australians by state/territory, 2001–2014. Source: 1. (C) Age-standardized incidence rates of renal replacement therapy among Indigenous Australians by year, 2001–2014. Source: Adapted from 1. Note: Rates are directly age-standardized to the Australian population. (D) Incidence of renal replacement therapy among Indigenous Australians by 2 year interval and state/territory, 2003–2014. Source: Adapted from 1. Note: Rates are 2 year rolling averages.

The publisher apologizes for the error and any inconvenience it may have caused.
