

Corrigendum: The Extended Specimen Network: A Strategy to Enhance US Biodiversity Collections, Promote Research and Education

JAMES LENDEMER, BARBARA THIERS, ANNA K. MONFILS, JENNIFER ZASPEL, ELIZABETH R. ELLWOOD, ANDREW BENTLEY, KATHERINE LEVAN, JOHN BATES, DAVID JENNINGS, DORI CONTRERAS, LAURA LAGOMARSINO, PAULA MABEE, LINDA S. FORD, ROBERT GURALNICK, ROBERT E. GROPP, MARCY REVELEZ, NEIL COBB, KATJA SELTMANN, AND M. CATHERINE AIME

In a recent article (doi:10.1093/biosci/biz140), in the original publication of this report, Marcy Revelez's affiliation was listed as the Centers for Disease Control and Prevention, Atlanta, GA 30333. It has since been changed to correctly reflect affiliation with Museum of Texas Tech University, Lubbock, TX 79409-3191.

James C. Lendemer (jlendemer@nybg.org) is a lichenologist and assistant curator at the New York Botanical Garden, in the Bronx, New York. Barbara M. Thiers, Anna K. Monfils, Jennifer Zaspel, Andrew Bentley, John Bates, David Jennings, Linda S. Ford, and Robert E. Gropp are members of the Biodiversity Collections Network Advisory Committee. BMT is director of the herbarium at The New York Botanical Garden, in the Bronx, New York. AKM is director of the herbarium and a professor at Central Michigan University, in Mt. Pleasant, Michigan. JZ is a research curator and head of zoology at the Milwaukee Public Museum, in Milwaukee, Wisconsin. AB is the collection manager of ichthyology and bioinformatics manager at the University of Kansas Natural History Museum, in Lawrence, Kansas. JB is an associate curator and section head of life sciences in the Integrative Research Center at the Field Museum of Natural History, in Chicago, Illinois. DJ is an iDigBio project manager at the Florida Museum of Natural History, at the University of Florida, in Gainesville, Florida. LSF is the director of collections operations at the Museum of Comparative Zoology, at Harvard University, in Cambridge, Massachusetts. REG is the executive director of the American Institute of Biological Sciences, in Washington, DC. Elizabeth Ellwood is a research fellow at the La Brea Tar Pits and Museum, Natural History Museum of Los Angeles County, in Los Angeles, California. Katherine LeVan is a biorepository scientist for the National Ecological Observatory Network, in Boulder, Colorado. Dori Lynne Contreras is the curator of paleobotany at the Perot Museum of Nature and Science, in Dallas, Texas. Laura Lagomarsino is director of the herbarium and assistant professor at Louisiana State University, in Baton Rouge, Louisiana. Paula Mabee is a professor of biology at the University of South Dakota, in Vermillion, South Dakota. Robert Guralnick is an associate curator of biodiversity informatics at the Florida Museum of Natural History, at the University of Florida, in Gainesville, Florida. Marcy Revelez is a Research Associate with the Museum of Texas Tech University in Lubbock, Texas. Neil Cobb is director of the Merriam-Powell Center, at Northern Arizona University, in Flagstaff, Arizona. Katja Seltmann is director of the Cheadle Center for Biodiversity and Ecological Restoration at the University of California, Santa Barbara. Mary Catherine Aime is director of the Purdue University Herbaria and a professor at Purdue University, in West Lafayette, Indiana.
