

**Correction to Lancet  
Haematol 2017;****4: e154–55**

Storek J. *Anti-thymocyte globulin dosing—per kg or per lymphocyte?* Lancet Haematol 2017; **4**: e154–55—In the reference list, the correct citation for reference 8 should be: Admiraal R, Nierkens S, de Witte MA, et al. Association between anti-thymocyte globulin exposure and survival outcomes in adult unrelated haemopoietic cell transplantation: a retrospective pharmacodynamic cohort analysis. This correction has been made to the online version as of April 28, 2017.

**Correction to Lancet  
Haematol 2017:****4: e183–91**

Admiraal R, Nierkens S, de Witte AM, et al. *Association between anti-thymocyte globulin exposure and survival outcomes in adult unrelated haemopoietic cell transplantation: a multicentre, retrospective, pharmacodynamic cohort analysis.* Lancet Haematol 2017; **4**: e183–91—In the title, the study was incorrectly stated as being 'multicentre'. The study was single-centre, and therefore the correct title is: Association between anti-thymocyte globulin exposure and survival outcomes in adult unrelated haemopoietic cell transplantation: a retrospective, pharmacodynamic cohort analysis. This correction has been made to the online version as of April 28, 2017.

**Correction to Lancet  
Haematol 2017;****4: e202–17**

Bonaventure A, Harewood R, Stiller CA, et al. *Worldwide comparison of survival from childhood leukaemia for 1995–2009, by subtype, age, and sex (CONCORD-2): a population-based study of individual data for 89 828 children from 198 registries in 53 countries.* Lancet Haematol 2017; **4**: e202–17—The appendix for this article (pp 2, 3) has been corrected. The list of CONCORD Working Group members for the Registro de Câncer de São Paulo (Brazil) should only include MRDO Latorre and LF Tanaka. The correct affiliation for N Bhoo-Pathy is University of Malaya (Malaysia), and the correct affiliation for O Chimedsuren is Mongolian National University of Medical Sciences–MNUMS (Mongolia). This correction has been made to the online version as of April 28, 2017.
