Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-020-58662-8>, published online 04 February 2020

The original version of this Article contained a typographical error in the spelling of the author Sherif F. Nagueh, which was incorrectly given as Sherif M. Nagueh.

As a result, in the Author Contributions,

“Sherif M. Nagueh helped in the study design, analyzed echo data and edited the manuscript.”

now reads:

“Sherif F. Nagueh helped in the study design, analyzed echo data and edited the manuscript.”

This error has now been corrected in the PDF and HTML versions of the Article.
