

In the 1 September 2016 issue of the *Journal*, in the article by Assiri et al (Assiri AM, Midgley CM, Abedi GR, et al. Epidemiology of a novel recombinant Middle East respiratory syndrome coronavirus in humans in Saudi Arabia. *J Infect Dis* 2016; 214:712–21),

affiliation 2 for Abdulaziz Bin Saeed should read “Department of Family and Community Medicine, College of Medicine, King Saud University” (*not* “Department of Family and Community Medicine, King Saud Medical City”). The authors regret this error.
