

Since January 2020 Elsevier has created a COVID-19 resource centre with free information in English and Mandarin on the novel coronavirus COVID-19. The COVID-19 resource centre is hosted on Elsevier Connect, the company's public news and information website.

Elsevier hereby grants permission to make all its COVID-19-related research that is available on the COVID-19 resource centre - including this research content - immediately available in PubMed Central and other publicly funded repositories, such as the WHO COVID database with rights for unrestricted research re-use and analyses in any form or by any means with acknowledgement of the original source. These permissions are granted for free by Elsevier for as long as the COVID-19 resource centre remains active.

Department of Error

Webster PC. *Accountability in Canada's Muskoka Initiative questioned*. Lancet 2014; **383**: 1621–22—In this World Report (May 10), Tarek Meguid's name was spelt incorrectly and he should have been described as a physician based in Tanzania. This correction has been made to the online version as of May 30, 2014.

Zumla A, Hui DS. *Infection control and MERS-CoV in health-care workers*. Lancet 2014; **383**: 1869–72—In this Comment, reference 8 should refer to Riley S et al and reference 9 should refer to Lee N et al. In the fourth paragraph reference 8 should be cited at the end of the fourth sentence and reference 9 should be cited at the end of the fifth sentence. These corrections have been made to the online version as of May 21, 2014, and to the printed Comment.
