## **OPEN Author Correction: A novel** transcription factor-like gene SbSDR1 acts as a molecular switch and confers salt and osmotic endurance to transgenic tobacco

Vijay Kumar Singh, Avinash Mishra, Intesaful Haque & Bhavanath Jha

Correction to: Scientific Reports https://doi.org/10.1038/srep31686, published online 23 August 2016

This Article contains an error in the Methods section, under subheading 'Abiotic stress treatments and evaluation of transgenic lines', where:

"Plants (transgenic and WT) grown in plastic cups (for 30 days in green house under control condition) were shifted to controlled field condition and allow to grow further for 30 days."

should read:

"Plants (transgenic and WT) grown in plastic cups (for 30 days in green house under control condition) were shifted to controlled field condition (in green house; not open field) and allowed to grow further for 30 days."
