

Since January 2020 Elsevier has created a COVID-19 resource centre with free information in English and Mandarin on the novel coronavirus COVID-19. The COVID-19 resource centre is hosted on Elsevier Connect, the company's public news and information website.

Elsevier hereby grants permission to make all its COVID-19-related research that is available on the COVID-19 resource centre - including this research content - immediately available in PubMed Central and other publicly funded repositories, such as the WHO COVID database with rights for unrestricted research re-use and analyses in any form or by any means with acknowledgement of the original source. These permissions are granted for free by Elsevier for as long as the COVID-19 resource centre remains active.

Correction to *Lancet Child Adolesc Health* 2020; 4: 421

Lee J. Mental health effects of school closures during COVID-19. Lancet Child Adolesc Health 2020; 4: 421—In the first paragraph, the number of young people estimated to be out of education has been corrected to 1.5 billion. This correction has been made to the online version as of April 17, 2020, and the printed version is correct.
