

A Cross-Sectional Study on Malnutrition in Inflammatory Bowel Disease: Is There a Difference Based on Pediatric or Adult Age Grouping?

Valérie Marcil, RD, PhD, Emile Levy, MD, PhD, Devendra Amre, MD, PhD, Alain Bitton, MD, Ana Maria Guilhon De Araújo Sant'anna, MD, Andrew Szilagy, MD, Daniel Sinnett, PhD, and Ernest G. Seidman, MD

Daniella Serban, MD, previously of McGill University Health Center, Montreal, Quebec, Canada McGill and currently of Iuliu Hațieganu University of Medicine and Pharmacy, Cluj-Napoca, Romania, was inaccurately listed as a co-author of this article with respect to the authorship guidelines and has been removed by the Editors. The correct list of authors is: Valérie Marcil, RD, PhD, Emile Levy, MD, PhD, Devendra Amre, MD, PhD, Alain Bitton, MD, Ana Maria Guilhon de Araújo Sant'Anna, MD, Andrew Szilagy, MD, Daniel Sinnett, PhD, and Ernest G. Seidman, MD. These individuals would like to thank Dr. Serban for her contributions in 2009 to the study concept, data acquisition, and initial data analysis.
