Author Correction: Designing minimal genomes using whole-cell models

Joshua Rees-Garbutt, Oliver Chalkley, Sophie Landon, Oliver Purcell, Lucia Marucci & Claire Grierson

Correction to: *Nature Communications* https://doi.org/10.1038/s41467-020-14545-0, published online 11 February 2020.

The original version of this Article contained three errors in Fig. 4, in which the GAMA genome was erroneously labelled GAMA_236, the gene MG_270 was erroneously listed as different between Minesweeper and GAMA, and the gene MG_270 erroneously appeared in dark blue in the Minesweeper genome and was erroneously absent in the GAMA genome. This has been corrected in both the PDF and HTML versions of the Article.
