Correction to: Intensive Care Med

<https://doi.org/10.1007/s00134-019-05890-w>

The original version of this article unfortunately contained a mistake. There was a typographical error in figure 1: “Nebulization time ≤ 30 min” (first light blue square) should be replaced by “Nebulization time ≤ 90 min”. The authors apologize for the mistake.
