Miljkovic, Daniel Thomas-Lopez, Youngeun Jung, Marko Miler, Sarah Mitchell, Verica Milosevic, Jose Eduardo Gomes, Moran Benhar, Bruno Gonzalez-Zorn, Ivana Ivanovic-Burmazovic, Roberta Torregrossa, James R. Mitchell, Matthew Whiteman, Guenter Schwarz, Solomon H. Snyder, Bindu D. Paul, Kate S. Carroll, Milos R. Filipovic\*

---

As a result of an author oversight in the originally published version of this article, the surname of author Bruno Gonzalez-Zorn was misspelled as “Gonzales-Zorn.” Additionally, the scheme in the Graphical Abstract contains a final product of protein-S-S-dimedone, rather than protein-S-dimedone. These errors have now been corrected in the article online. The authors apologize for the errors and any inconvenience that may have resulted.
