

Corrigendum to The Cost of Inflammatory Bowel Disease: An Initiative From the Crohn's & Colitis Foundation

K. T. Park, MD, Orna G. Ehrlich, MPH, John I. Allen, MD, Perry Meadows, MD, Eva M. Szigethy, MD, PhD, Kim Henrichsen, RN, MSN, Sandra C. Kim, MD, Rachel C. Lawton, PhD, Sean M. Murphy, PhD, Miguel Regueiro, MD, David T. Rubin, MD, Nicole M. Engel-Nitz, PhD, and Caren A. Heller, MD, MBA

In the article titled “The Cost of Inflammatory Bowel Disease: An Initiative From the Crohn's & Colitis Foundation”, based on inquiries, we updated this paper to include a breakdown of demographics and costs based on disease state (Crohn's disease and ulcerative colitis) in addition to the published data on IBD overall.
