Fructose-1,6-Bisphosphatase 2 Inhibits Sarcoma Progression by Restraining Mitochondrial Biogenesis

Peiwei Huangyang, Fuming Li, Pearl Lee, Itzhak Nissim, Aalim M. Weljie, Anthony Mancuso, Bo Li, Brian Keith, Sam S. Yoon, M. Celeste Simon*

In the original version of the paper, the surname of Dr. Simon was mistakenly written as “Celeste Simon.” This error has now been corrected online.
