
Corrigendum

In the article by C. M. Gillette, K. E. Hazegh, T. Nemkov, D. Stefanoni, A. D'Alessandro, J. M. Taliaferro, and T. Reis (*GENETICS* **214**: 961–975) entitled “Gene–Diet Interactions: Dietary Rescue of Metabolic Defects in *spen*-Depleted *Drosophila melanogaster*,” an error was inadvertently introduced to the title in the production process. Where the original title contained the word “effects”, the title has now been corrected to replace “effects” with “defects.”
