Oncogenic R132 IDH1 Mutations Limit NADPH for *De Novo* Lipogenesis through (D)2-Hydroxyglutarate Production in Fibrosarcoma Cells

Mehmet G. Badur, Thangaselvam Muthusamy, Seth J. Parker, Shenghong Ma, Samuel K. McBrayer, Thekla Cordes, Jose H. Magana, Kun-Liang Guan, Christian M. Metallo*

In the originally published version of this article, the word “Cells” in the title was mistakenly changed to “Sells” during the production process. The title has been corrected online and also appears here.

The production team apologizes for the error.
