

Correction to:
Astrobiology 2020;20(5):580–582

“The Italian National Project of Astrobiology—Life in Space—Origin, Presence, Persistence of Life in Space, from Molecules to Extremophiles” by Silvano Onofri, Nadia Balucani, Vincenzo Barone, *et al.*; published in *Astrobiology*, vol. 20, no. 5, pp. 580–582.

A member’s name should be added to the OPPS Project Team: **Stavro Ivanovski** on page 580 footnotes.

We have made this correction on the title page of the article and the eTOC.
