Correction to: *npj Digital Medicine* <https://doi.org/10.1038/s41746-020-0266-y>, published online 24 April 2020

The original version of the published Article did not acknowledge the passing of the sixth Author, Norah Borus. To improve clarity, the Author contributions have been updated to include the following: Norah Borus was not able to review the manuscript prior to submission but she was integral to the concept and design phase of the project and contributed significantly to the codebase. Norah Borus passed away on 14th June 2019. Additionally, the second sentence in the second paragraph and the sixth sentence of the penultimate paragraph of the Discussion have been edited for clarity. The HTML and PDF versions of the Article have been corrected.
