

CORRECTIONS

There is a typographical error in the title of a recent article, published in the May 2020 issue of *The American Journal of Pathology* (Volume 190, pages 1018–1029; <https://doi.org/10.1016/j.ajpath.2020.01.013>). The published title incorrectly spells “Amelioration” as “Alemiroation.” The correct title of this manuscript is “Amelioration of Large Bile Duct Damage by Histamine-2 Receptor Vivo-Morpholino Treatment.” This error was introduced by the editorial staff during the copyediting phase of the manuscript and has now been corrected in the online record.

<https://doi.org/10.1016/j.ajpath.2020.05.001>

The authors of the article entitled, “Smooth Muscle α -Actin Deficiency Leads to Decreased Liver Fibrosis via Impaired Cytoskeletal Signaling in Hepatic Stellate Cells” (Volume 189, pages 2209–2220 of the November 2019 issue of *The American Journal of Pathology*; <https://doi.org/10.1016/j.ajpath.2019.07.019>), have requested a correction to update the authorship of this manuscript. Mr. Nathaniel Weymouth, who was previously mentioned in the Acknowledgements, is being added as an author due to his participation in this research, as well as the provision of Figure 6A which was originally used in his master’s thesis. All authors have agreed to this change and the updated author list should read as follows:

Don C. Rockey,* Qinghong Du,* Nathaniel D. Weymouth,[†] and Zengdun Shi*

From the Department of Internal Medicine,* Medical University of South Carolina, Charleston, South Carolina; and the Department of Biology,[†] Southern Methodist University, Dallas, Texas
