Correction: Antigenic evolution of viruses in host populations

Igor M. Rouzine, Ganna Rozhnova

In the Time to the most recent common ancestor subsection of the Results, there is an error in the equation. The notation N in parentheses is incorrect. It should read N_{inf} . Please view the complete, correct equation here:

$$T_{MRCA2} = z \sqrt{\frac{2 \log(N_{inf})}{\nu}} \quad (15)$$
