

A CID book review “Red Book: 2006 Report of the Committee on Infectious Diseases, 27th Edition Edited by Larry K. Pickering, Carol F. Baker, Sarah S. Long, and Julia A. McMillan Elk Grove Village, IL: American Academy of

Pediatrics, 2006. 992 pp. \$124.95 (cloth)” was erroneously published with a duplicate DOI. It has now been republished with a new DOI, 10.1093/cid/44.6.892.

The publisher regrets the error.

DOI: 10.1093/cid/ciz607

The following error appeared in the corrected proof publication of this article [File TM, Goldberg L, Das A, et al. Efficacy and Safety of Intravenous-to-oral Lefamulin, a Pleuromutilin Antibiotic, for the Treatment of Community-acquired Bacterial Pneumonia: The Phase III Lefamulin Evaluation Against Pneumonia (LEAP 1) Trial. *Clin Infect Dis* <https://doi.org/10.1093/cid/ciz090>]:

In the acknowledgement section, it currently states “G. H. T. is currently a member of the Board of Directors of Nabriva Therapeutics and has received personal fees and/or other support from Actelion, Adynxx, AN2 Therapeutics, Calixa Therapeutics, Meiji-Seika, Nabriva Therapeutics, Recida

Therapeutics, Tripex, and Zavante Therapeutics, outside the submitted work, and payments, non-financial support, and other from BioMarkers Consortium of the FNIH, during the conduct of the study.”

The correct acknowledgement should state “G. H. T. is currently a member of the Board of Directors of Nabriva Therapeutics and has received personal fees and/or other support from Actelion, Adynxx, AN2 Therapeutics, Calixa Therapeutics, Meiji-Seika, Nabriva Therapeutics, Recida Therapeutics, Tripex, and Zavante Therapeutics, outside the submitted work.”

The publisher regrets this error.

DOI: 10.1093/cid/ciz710

The following error appeared in the corrected proof publication of this article [Wake RM, Govender NP, Omar T, et al. Cryptococcal-related Mortality Despite Fluconazole Preemptive Treatment in a Cryptococcal Antigen Screen-and-Treat Program. *Clin Infect Dis* <https://doi.org/10.1093/cid/ciz485>].

In the results section of the abstract, it currently states: “... cause of death in 11/17 (65%) CrAg-positive participants...”

It should correctly state “...cause of death in 12/17 (71%) CrAg-positive participants...”

The publisher regrets this error.
