The authors wish to make the following corrections to this paper [1]:

There are two mistakes in this article. In **Figure 6C**, the scanning electron microscope images of MRSA in should be in **micrometre** scale—previously, they were shown in **nanometer** scale—and the image in **Subsection B (Figure 6C)** should be at a higher resolution; previously, it was at a different resolution.

The authors would like to **express regret** for any inconvenience caused to the readers by these changes.

## Change in Figure
