Correction to: HSSJ
<https://doi.org/10.1007/s11420-020-09765-5>

The published article listed co-authors in a consortia. This was in error. The full list of authors is corrected here. The published article contained four sentences with incorrect reference citations. Here, those sentences and the reference list are corrected.

1. “Across the state, institutions canceled nonessential procedures and patient visits to increase hospital bed capacity in response to COVID-19, with guidance provided

from government agencies and medical societies [2, 12].” Reference #12 was cited incorrectly. The correct reference is: Sarac NJ, Sarac BA, Schoenbrunner AR, et al. A review of state guidelines for elective orthopedic procedures during the COVID-19 outbreak. *J Bone Joint Surg Am.* 2020;102(11):942945. <https://doi.org/10.2106/JBJS.20.00510>.

2. “Communication is a vital component of an organization’s structure; beyond an exchange of information, it strengthens teams, builds trust, and develops understanding [6, 12].” Reference #12 was cited incorrectly. The
